There is no doubt that vehicle security is a major worry for all. Understandably, taking the necessary steps to reduce the risk of vehicle theft is one of the top priorities for the vast majority of our customers.

For this reason, TGS has created the Vehicle Security Package which takes the 4 most popular and effective security options and puts them all together in one easy to use package.

So, if you choose a Vehicle Security Package, we will fit and install the following:

- Alarm with an immobiliser and siren
- Transmission lock
- Locking wheel nuts
- Etching on all windows with security markings

These items should act as a great deterrent and help reduce the risk of vehicle theft considerably.

At the same time customers can enjoy a **15% discount** on the prices of all these items when purchased together under the TGS Vehicle Security Package umbrella.

Please note that the Vehicle Security Package can only be purchased with Land Cruiser 70 Series models.

Please speak to your usual sales contact for more information on similar packages for other models.

Professionally installed options and accessories by our trained technicians.
