Good to know

Specifically designed for the Land Cruiser 79 Single Cabin Pick-Up chassis, this tough, fully-fitted, high-spec unit is the last word in meticulous design and solid construction.

Generator, compressor and air hose fitted as standard. Plus, abundant lockable storage to accommodate all the other gear required to perform vehicle and equipment field maintenance.

Features and benefits

- Carry sufficient equipment to service an entire vehicle fleet.
- Compact enough to access all areas.
- Secure storage cabinets with adjustable shelving.
- Centre aisle accommodates bulky items such as transmissions and oil drums.
- Modular design that can be transferred to another 79 Series in future.

Full immersion corrosion protection with tough pearl white powder coat finish

Abundant storage area for tools and consumables

Handy workbench tailgate

SmartBar and Warn Tabor 10K winch fitted (optional)

Compressor and air hose compartment

High quality stainless slam locks with single key convenience

Generator

Swing-up vice mount
