Dear Toyota Customer,

We, Toyota Motor Corporation (TMC), confirm that Toyota Motor Europe NV/SA (TME) is our subsidiary company in Europe. We consign TME the sale of vehicles to the UN and International Aid Organizations. Toyota Gibraltar Stockholdings Ltd (TGS) has been appointed as independent agent by TME for the sale of these vehicles stocked in Gibraltar.

We also confirm that manufacturer's warranty, maintenance and servicing on the vehicles sold through TME or its appointed agent will be undertaken by TMC's authorized distributors, ensuring that the same treatment given to the vehicles sold directly by TMC will be applied to the vehicles sold through TME or its appointed agent TGS.

N.B: Non-Toyota accessories fitted by TGS are not covered by Toyota warranty. Full details about these items can be obtained from TGS.

Yours sincerely

Kyoko Miyamoto,  
Group Manager, UN & Fleet Sales Group
